East San Gabriel Valley LWV Annual Meeting

Our ESGV LWV Annual Meeting was well attended on Saturday, June 30. The event took place at Millies Restaurant in Covina. The guest speaker from the Los Angeles County Dept. of Consumer Affairs spoke on how to avoid identity theft and ways to protect oneself online. She provided pamphlets on various subjects for everyday needs on Consumer Advocacy. Contact Pat Klemz for further information.

Our new board remains the same except for Lawrie Stratton, Director at Large, who will be missed but remains an active member.

Our Present Board for 2012-13 is: President, Rosie Fabian; Vice President, Marie Palmeri; Secretary, Mary Indenbaum; Treasurer, Sally McMahon; Voter Service Director, Pat Klemz; Directors at Large: Dayle Coleman, and Caroline deLlamas, MTA.

We wish to especially thank Rosie Fabian for being our President and always remembering our Board members with Annual gifts. She is dedicated and deserves our gratitude.

Finally, thanks to all our dedicated Board Members who volunteer so much time and energy to keep our ESGV LWV so vital.

Popovers in Pasadena

The LWVLAC Popovers in Pasadena on July 28 was at the Pasadena Women's Club. There were four breakout sessions on Healthcare, Fracking/Water Quality, Treasurers and Presidents. The speaker for the after lunch general session was Wendy Schwartz, Director of Board Relations, Los Angeles County, Dept. of Health Services. She presented a wonderful amount of very interesting facts on the number of people being served by over 120,000 Healthcare Workers. She indicated that within the five years she has been with this agency, she has seen great changes in online/technological upgrades as well as communication with the public in need of both mental and physical healthcare.

Once again the popovers at lunch were delicious!

Pros and Cons Training September 29

For those interested in learning about the 12 initiatives on the November 6, 2013 ballot there will be a Ballot Briefing on the Pros and Cons. Each proposition or initiative will be analyzed by one of the LWVLAC Board or off Board members. This is a good opportunity to sharpen your skills when and if you speak on any of the 12 initiatives for informing the public on their pros and cons.

The training will be at the Hollenbeck Palms. Further information will be available on the LWV LAC website.

Educational Tidbits

Our Jeopardy Answer last Voter was “April 14, 1912 is the one hundredth anniversary of this event.”

The Question was “ When was the sinking of the Titanic?”

The new Jeopardy Answer is: “This person is known for many South Pasadena and Pasadena initiatives over the years.” Good luck and check your upcoming ballot initiatives online for a hint.
